ABRAR INSTITUTE

Craft sheet: the Kaaba

A cube to cut out, fold and glue

1. Cut it out – including the light glue tabs.
2. Fold along all the lines (fold inwards).
3. Put glue on the tabs and stick the cube together.
4. Your Kaaba is ready! Put it in the middle and lay a paper circle around it – the Mataf, where the pilgrims walk around the Kaaba.

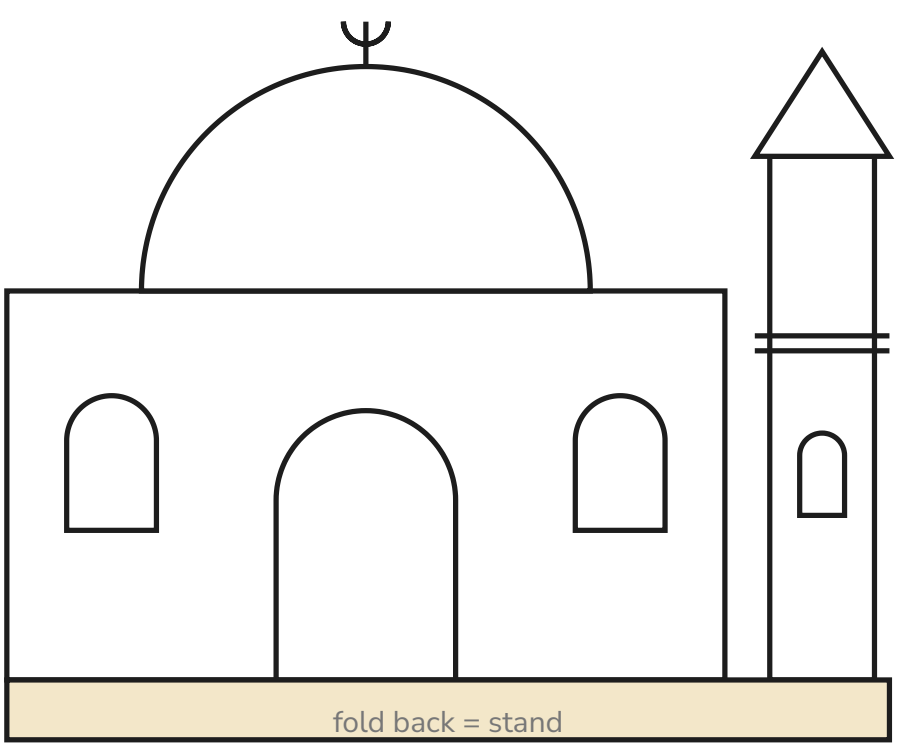

Tip: print on thick paper (160–200 gsm). Use scissors and glue together with an adult.

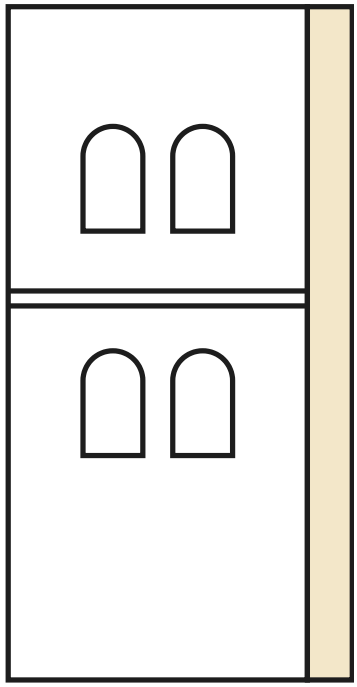

ABRAR INSTITUTE

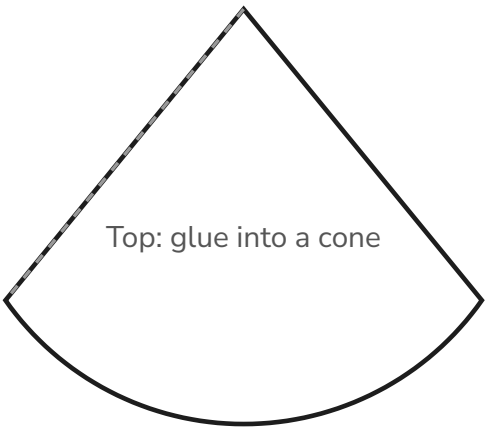

Craft sheet: the mosque

A stand-up mosque and a minaret to roll – colour, cut out, stand up!

Minaret: roll into a tube

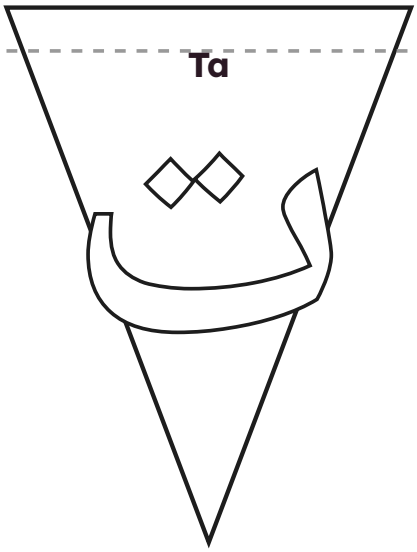

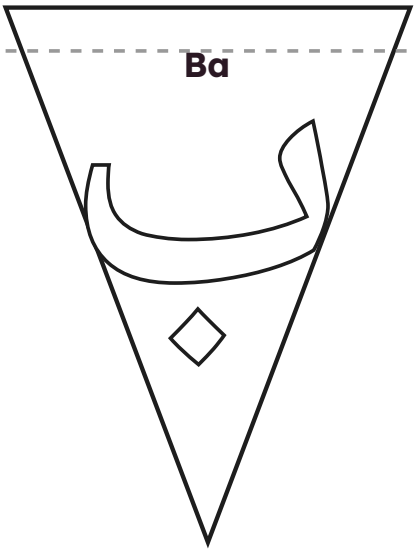

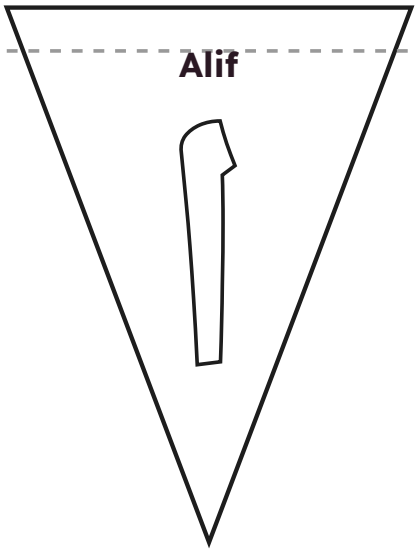

1. Colour everything in.
2. Cut out the mosque and fold the light strip at the bottom backwards – and it stands up.
3. Cut out the minaret, roll it into a tube and glue it shut with the light tab.
4. Cut out the top, glue it into a cone and put it on top of the minaret.

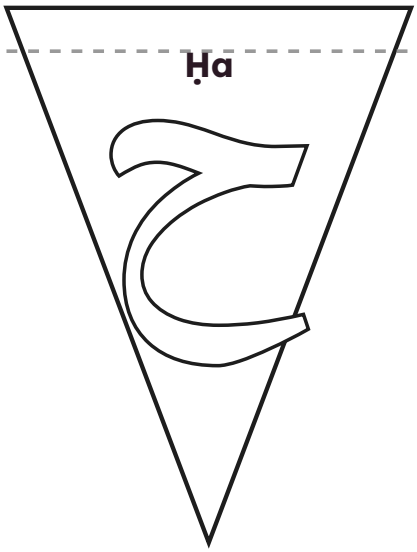

Letter bunting

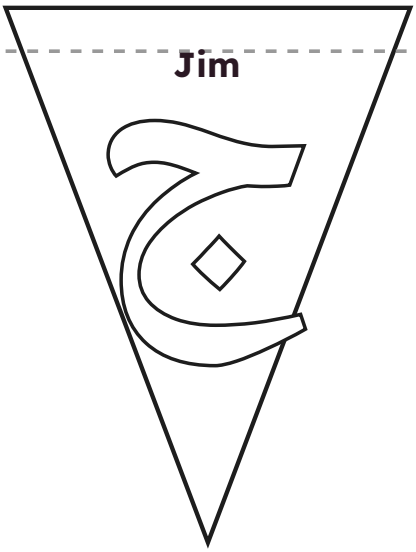

Colour the pennants, cut them out, fold over the top and glue them onto a string · sheet 1 of 5

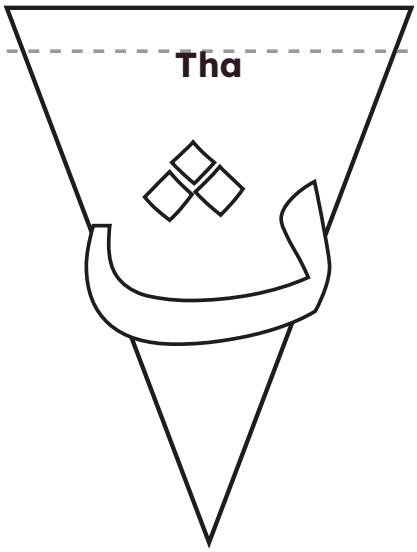

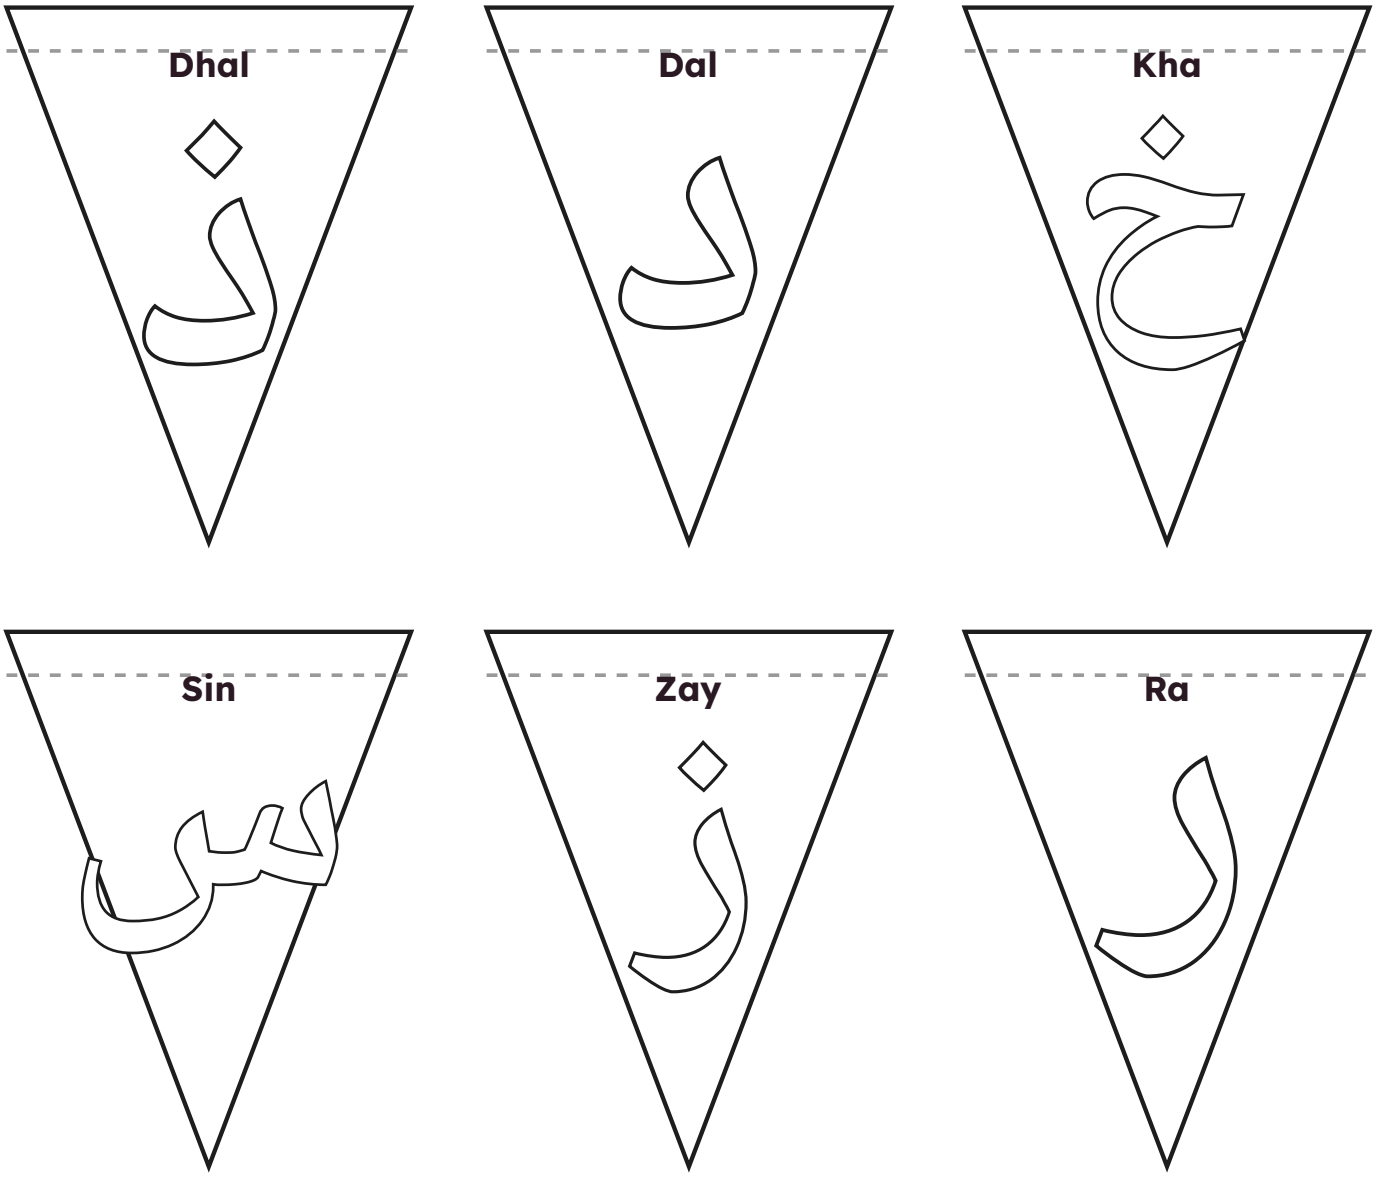

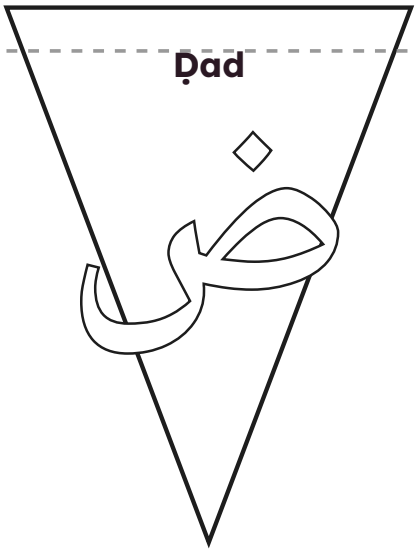

Letter bunting

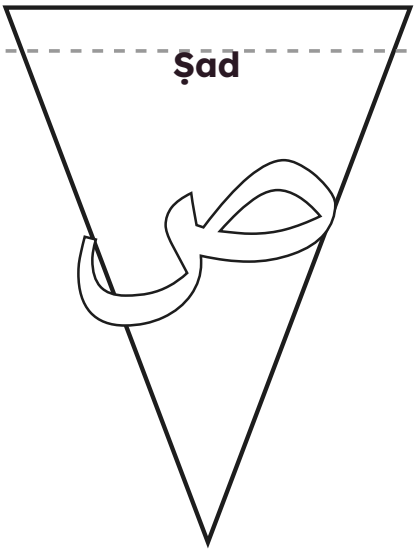

Colour the pennants, cut them out, fold over the top and glue them onto a string · sheet 2 of 5

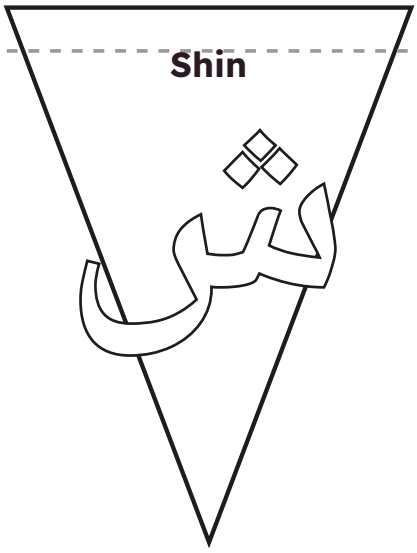

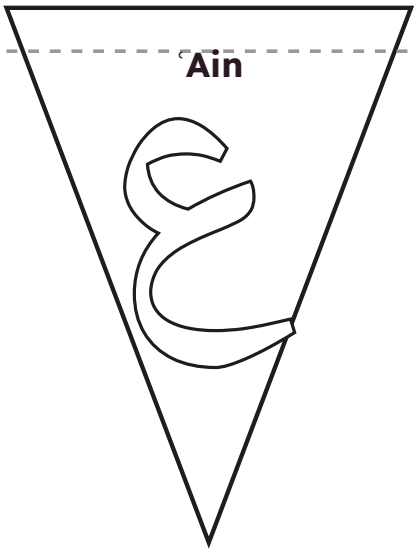

Letter bunting

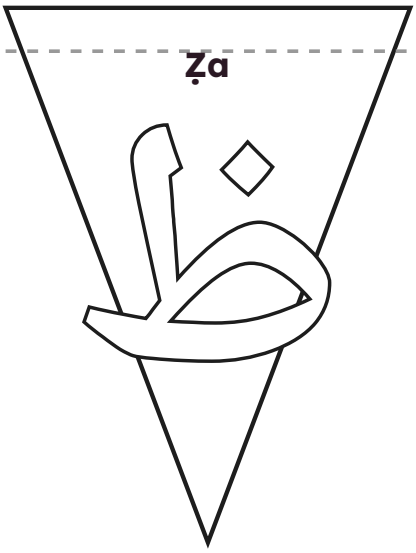

Colour the pennants, cut them out, fold over the top and glue them onto a string · sheet 3 of 5

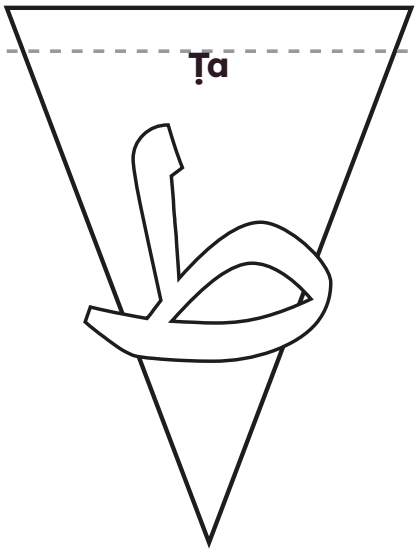

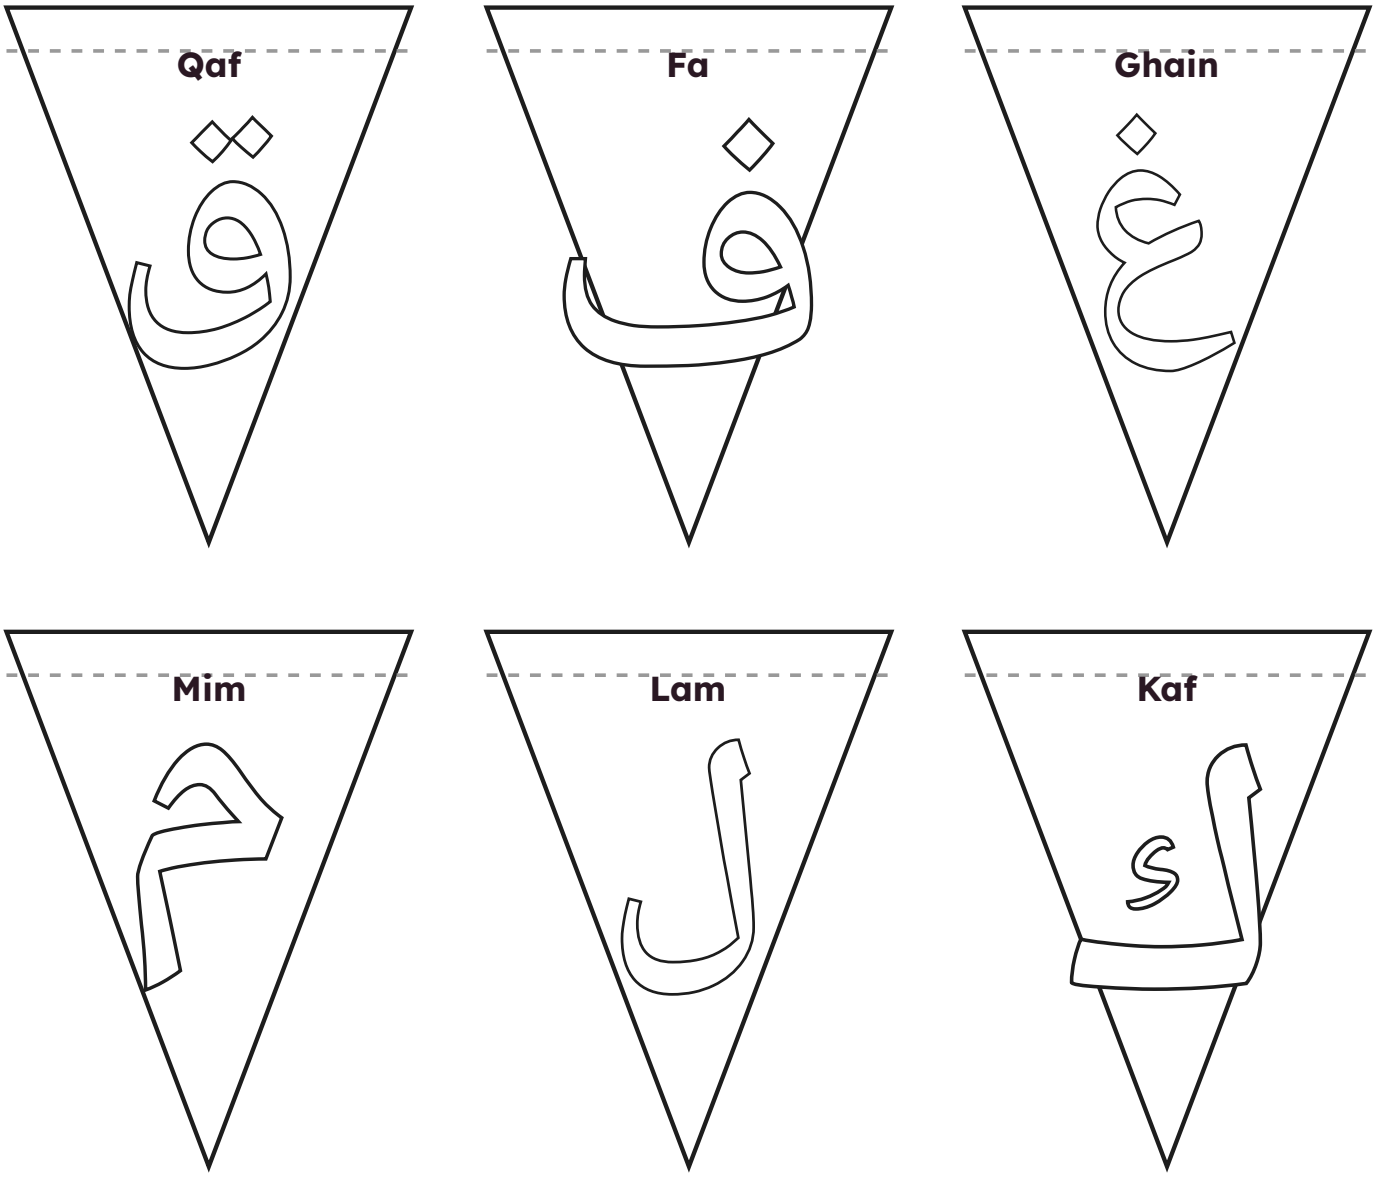

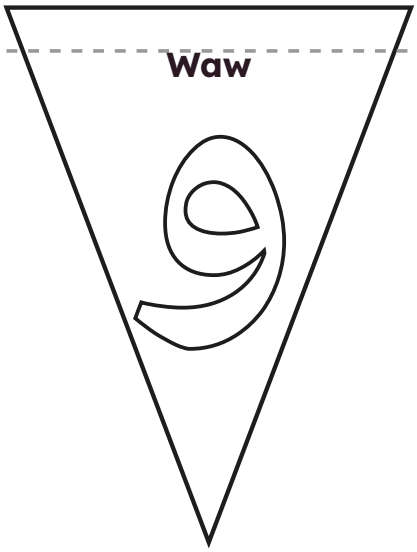

Letter bunting

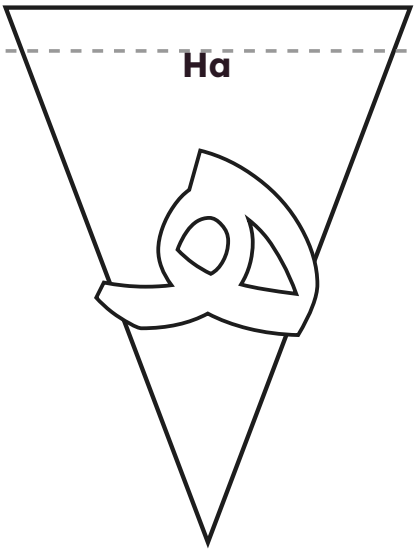

Colour the pennants, cut them out, fold over the top and glue them onto a string · sheet 4 of 5

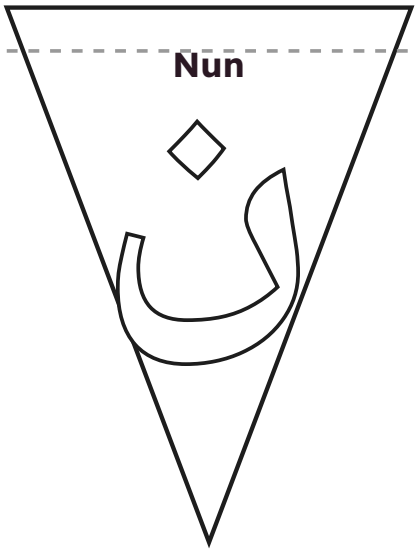

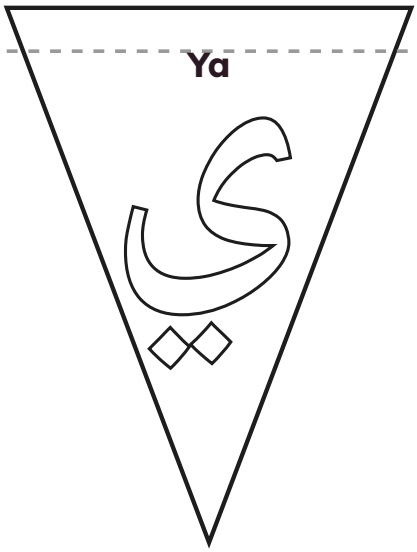

Letter bunting

Colour the pennants, cut them out, fold over the top and glue them onto a string · sheet 5 of 5

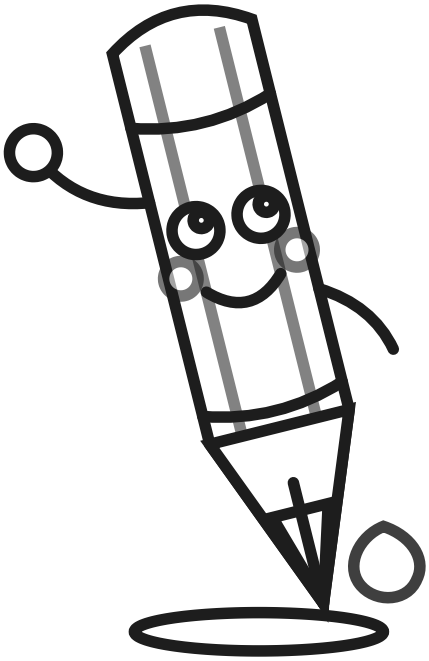

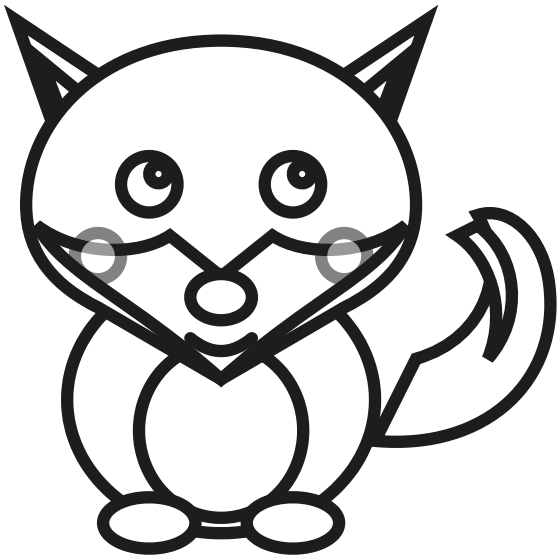

Stand-up figures: Qalam & Fuffl

Colour, cut out, fold in the middle and glue the base – then they stand on your table
