ABRAR INSTITUTE

How to use the learning plan

One week – five short learning sessions

Monday
15 min

Read new book pages together with the teacher or parents.

Tuesday
10 min

Play the learning lesson in “Harf by Harf”.

Wednesday
15 min

Do the exercises in the book – online or on the printout.

Thursday
15 min

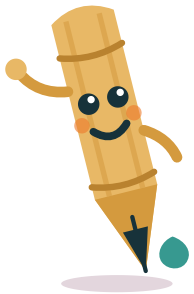

Colour, trace and write on the colouring sheet.

Friday
10 min

A quiz in “Harf by Harf” and one stop with Fuffl.

Weekend
free

Crafts, memory game – and colour in a star on the star chart!

- **Short and daily** is better than one long session. 10–15 minutes are enough.
- **Read aloud:** say every syllable out loud – that way the mouth learns too.
- **No English letters** next to the Arabic words. It slows down reading.
- **With a teacher:** correct pronunciation is best learnt from a qualified teacher.
- **Keep going:** after week 12 the book continues with madd, shadda, tanween and more – at the same pace.
